

COUNTRY COTTAGE ESTATES

July 2018

JULY NEWS

Summer is here in full force!

The weather is definitely hot, but the summer showers haven't let us down. Make sure that you are taking care of your lawns so as to keep up curb appeal, and keep out unwanted creatures looking for shade.

Kids are out and about so please be cautious as you are driving through the neighborhood, especially on the blvd.

Summer also means company, get-togethers, and parties, please be mindful of parking. Bylaws state that you cannot park on the street overnight. Be courteous to your neighbors.

KEEP AN EYE OUT:

If you see anything suspicious in the neighborhood try to get pictures from afar of car and license plate. Call Sheriff's office immediately.
